### Sir Speedy Named an "AllStar" Franchise

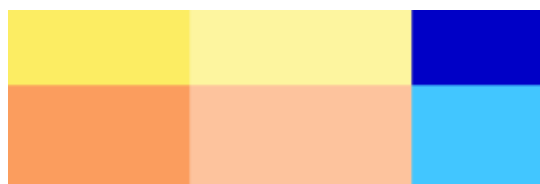

Wednesday, March 04, 2009

MISSION VIEJO, Calif. -- Sir Speedy, Inc., a 40-year old printing and marketing services company has been ranked number 230 on the AllBusiness AllStar Franchise List. The top 300 listing, produced by allbusiness.com, assesses the strengths of franchising companies. The criteria used to rank the companies include: franchise unit growth rate, financial strength, system size, years in business, years franchising, availability of financing, and Web (brand) visibility.

"The unique factors that allbusiness.com used in their review such as Web visibility says a lot about the strength of our brand," said Richard Lowe, president and COO of Franchise Services, Inc., the parent company of Sir Speedy. "We just celebrated our 40-year anniversary. Through each of those years we embraced changes in our industry and were oftentimes, the first in market with many products and services targeted to business customers. Sir Speedy remains a strong franchise network in an exciting industry."

In addition to the AllBusiness Allstar Franchise list, Sir Speedy has received awards and recognition from Entrepreneur magazine, Printing Impressions 400, Franchise Times Top 200, Quick Printing Top 100 and Franchise Business Review's Franchise 50 Award.
