Mission Viejo-based Sir Speedy was named among Printing Impressions Top 400 list. The company came in at No. 20, which is the highest ranking of all franchised printing firms on the list, according to Sir Speedy.

Printing Impressions ranks firms throughout the U.S. and Canada based on total sales revenue. Sir Speedy reported \$357 million in 2008 sales for the list. This compares to the previous year's ranking, when the firm reported \$438.8 million and came in three spots higher.

But that decline isn't holding the firm back. This award is among a number of recent accolades garnered by Sir Speedy, which has a worldwide network of brands and affiliates in more than 800 locations in 16 countries. The firm also recently ranked No. 155 on the Franchise Times Top 200 List and No. 221 on the AllBusiness AllStar Franchise List.
