Comeback Solutions for Manufacturers
in the **Next Normal**

Resilience

Show your strength to employees, customers and the community as you embrace the next normal

1 | LARGE FORMAT SIGNAGE

Welcome employees back to work in a BIG and highly visible way:

- Durable banners can be hung from your building to attract attention from a distance
- Sail signs can be positioned near a building or parking lot entrance

2 | WINDOW, WALL AND FLOOR DECALS

Communicate expectations and safety practices clearly and professionally before employees or vendors enter your building:

- Designate doors for employee entrance and exit only
- Post requirements for temperature checks, face masks and what to do if experiencing symptoms
- Floor decals are suitable for short-term outdoor use
- Ground stencils can be used on rough surfaces for longer-term outdoor use

3 | OUTDOOR SIGNS

Identify designated parking areas, safety requirements, entrances/exits and more:

- Plastic yard signs are a cost-effective way to share your message on-site or around town
- Aluminum composite signs with angle-iron frame stand up to the elements for long-term outdoor use
- A-Frame sandwich board signs are durable, mobile and can be used indoors or outdoors

UNIQUE APPLICATIONS

Employee Packets

Inform and welcome your new and returning employees. Kits should include:

- Updated policies for health, safety and security
- HR programs for returning from leave
- CDC or state-recommended disaster plans

Acrylic Partitions

Provide separation between close employee workspaces:

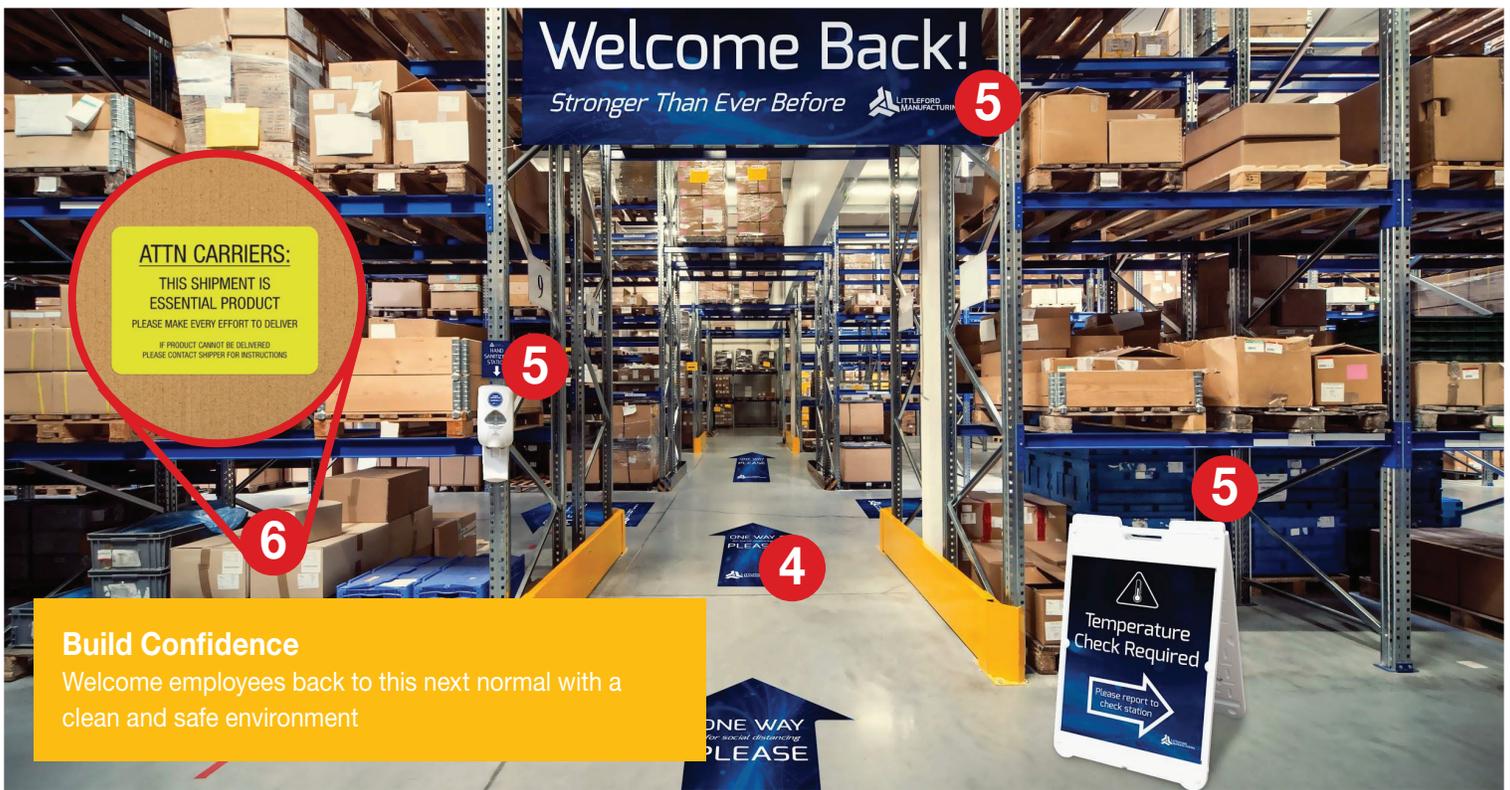

- Available with slot/bent bottom and custom sizes
- Easy to sanitize

Ear Saver Mask Hooks

Ensure employee comfort while wearing masks in the workplace:

- Disposable and adjustable
- Branded for your company
- Great giveaways for customer appreciation

Build Confidence

Welcome employees back to this next normal with a clean and safe environment

4 | FLOOR DECALS

Help employees stay healthy and feel safe by limiting contact in the workplace:

- Shaped floor decals direct traffic flow and indicate proper distancing
- A variety of shapes and sizes are available to fit a number of applications
- 8mil textured vinyl provides a non-slip surface and stands up to daily use

5 | INDOOR SIGNS AND BANNERS

Promote resilience and communicate important employee information:

- Banners can provide messages of strength and pride
- Portable signage can be moved as needed — or sign inserts can be swapped with new messaging
- Full color or engraved plastic signs can provide safety instructions

6 | LABELS

Full color and one-color advertising labels can be used to label products, shipments, equipment and more:

- One-color labels can be used to identify shipments of “Essential Products” that require special handling or shipping methods
- Full color product labels help items stand out on a crowded shelf
- Use neon labels to indicate employees have been screened upon arrival
- Labels can double as “Approved Visitor” badges

EMPLOYEE COMMON AREAS

Restrooms

Standard signage for all facilities:

- Decals provide reminders about hand washing and hands-free door openers
- Laminated CDC posters can be posted on stall doors
- Engraved plastic signs stand up to harsh cleaners

Meeting Rooms

Share new policies regarding room use and capacity:

- Sanitizer stations and signage at all doorways
- Table tents and posters

Lunch Rooms

Create social distancing standards and share company sanitization practices:

- Table tents for two to a table
- Post-it® Notes indicate areas that have been sanitized
- “Seat/Table Closed” decals
